

*Royal Rosarian Foundation*  
*Hearts and Roses Auction - 2010*  
*Promoting community and kids*

Dear Supporter,

Since 1912, the Royal Rosarians have been, by the Mayor's proclamation, the "Official Greeters and Ambassadors of Good Will for the City of Roses." For the past five years the Rosarians have assumed additional responsibilities in the community and we are inviting friends and supporters to join in that effort. Our service activities are funded, in part, through the Royal Rosarian Foundation, a qualified 501(c)(3) non-profit corporation and your generous contributions.

We hope you will help us this year by donating an item to our **Hearts and Roses Benefit Auction** being held at the Lloyd Center Doubletree Hotel in Portland on February 6, 2010. We would also welcome your attendance at our event. The 2010 Hearts and Roses Auction theme is "Tickled Pink".

**The Royal Rosarian Foundation** has developed a growing program of support for our community in three distinct areas of influence. **We are engaged in helping improve the lives of Children at Risk, providing Music Scholarships for Youth and encouraging Community Spirit.**

It is through supporters like you that the **Royal Rosarian Foundation Hearts and Roses Benefit Auction** can make a difference in our community...a benefit that will enrich all of us.

We appreciate your generosity during these tough economic times and want you to know that your support helps a community of young people.

Sincerely,

**THE ROYAL ROSARIAN FOUNDATION**

*Barb Brennan*
